

How to Keep Warm in Winter

Experience winter as our ancestors did through activities with a seasonal twist!

Dressing up

What clothing provided the most warmth on cold days?
Try out a series of textures and materials to experiment with keeping out the cold.

Dressing down

There's nothing like getting into a nice warm bed but what's the warmest way to make it in winter? Straw mattress or hay? Fur blanket or wool? Race against the cold to make your bed before frostbite sets in.

Gather round the fire

Step back in time and imagine life in the past as you cosy up around our crackling fires with the smell of woodsmoke in the air.

Visit us this winter to enjoy a quieter experience for your school
